[God's Mercy book written in blood](#)

Jesus is "Mercy" to humble souls. Without the mercy of Jesus, very few would meet the Father's salvation criteria. As sinners, heaven is only attainable through the Son. This is the basis for believing that Jesus lived and died for our sins, as opposed to just believing in God or a Messiah. Heaven is for those who know and believe in Jesus Christ and His teachings, recognize their failings, humble their pride, repent and ask for His mercy and forgiveness. His compassion for us is so great that His mercy outweighs the criteria of the Father.

Jesus crucified, needs to be our focus during these times. The Bible says the coming one_wörld religion will proclaim its own Messiah and will oppose Jesus Christ and His death on the cross for our sins. The Vatican is moving toward including all faiths together, one religion without JESUS?? ([CONFIRMED and SIGNED Oct. 2022 - duckduckgo search](#)). Ever see Pope Francis's papal cross design? It's not a crucifix of Jesus, but a different good shepherd with his arms crossed. Previous "good shepherd" crosses had natural arms and rays of graces from the dove. The crossed arms are [only on his design, \(pop-up design comparison\)](#). What do the crossed arms and the missing graces mean? Their websites about his cross dont say. You decide if his design is an improvement. With our prayers, the Pope could still come out against the infiltration of the Vatican over the last 70 years. Pope Paul VI called it out back in 1972. If the Vatican can't purge itself of evil infiltration, God will do it in a very dramatic way.

Jesus's death on the cross is the ONLY path to Heaven. Beware of any future religion, or church doctrine changes (Synod 2023 ??) not centering on Jesus Christ and His Crucifixion.

Marian apparitions point to these approaching times as the end of an era, a God defined era. The current "Church age" will end with the prophecies of the Virgin and other saints regarding the Illumination of Conscience - Warning, Miracle and possible Chastisement for man's ever-increasing sins. Mary, the saints and the Bible have said that the world, and the Church itself, would have to face a great trial (a persecution and purification) during these times before we can enter into the next era, "The Triumph of the Immaculate Heart of Mary".

The corruption in the world and in the church is increasing. Any corruption is a plot of satan to distract us from God. The most holy individuals are not immune from being easily distracted by problems in the church. What was once fluid and predictable has become confusing and bewildering. The prophesized trial of the church is being fulfilled with more and more corruption. The definition of the "True Church" (One Holy Catholic and Apostolic) needs to be our focus today. Most Catholics equate the pope, cardinals, priests and bishops as "default" members of the "Church" along with the participating congregation. The actual definition of the One Holy Catholic and Apostolic Church ONLY includes those in a state of grace with God (All Holy and Apostolic) according to Fr. Malachi Martin. Play short audio clip.

0:00 / 0:44

Fr. Malachi Martin from the Art Bell radio show, broadcast 7-13-1998.

Therefore, any priest, cardinal, bishop or pope that is not in a state of grace, is not a member of the true "Church" until they repent. The "Catholic Church" will always remain holy and intact, but its members will continuously fluctuate. Stay positive and in a state of grace (prayer, Eucharist, confession and focus on God) and you will always be with the "true church". If the institutional leadership of the Vatican leads the flock in error, it becomes a "false" church, a parasite of the "true" church. Something Padre Pio warned Fr. Amorth about. See below.

[Signs we are approaching this "End of the Church Age" \(popup window\)](#)

St. Faustina's diary and mission for the end times (end of our current era) along with saints and Marian prophecies of the "Illumination of Conscience - Warning and Miracle" are the last acts of God's mercy (*click [Our Lady of Mount Carmel](#) above top, for link to "church pending" apparition resources and timing details on this subject*). These supernatural events will occur when God has had enough and for a few short minutes, each one of us will see our inner self as God see us, so we can correct our lives. Without this fulfillment, many would fall short of seeking His mercy. Jesus worked directly with Sister (Saint) Faustina to show us the importance of praying for and seeking His mercy. Jesus gave us easy ways to receive merciful graces through the [Divine Mercy Image, Chaplet and Novena \(prayer page link\)](#). Unfortunately, very few people practice these simple Divine Mercy methods on a daily basis. God is making one last act of mercy for all the people of the world (not just Catholics) who haven't recognized the need to seek His mercy. Why is He doing this now?

The Lord has always allowed evil adults to deceive other adults. Adults are capable of searching and choosing the truth over the ways of the world, but when evil (school boards and Universities) start deceiving God's children directly under the disapproval of their parents, God will not sit still. Mary tried to correct the world at Fatima but God and Mary both knew the church would not listen to the Virgin in announcing her third secret and consecrating Russia to the Immaculate Heart of Mary. Mary appeared as our Lady of Mount Carmel on the last apparition of Fatima [the same as in Garabandal](#) where she had to come back to reveal part of the third secret herself (the apostasy of the Church) and the details of the coming "Warning" and "Miracle".

The "Illumination of Conscience" or "Warning" has been prophesied by many saints and apparitions. It was described by Jesus and shown to St. Faustina; He said: "While there is still time, **let them have recourse to the fount of my mercy**. . . ." (Diary, 848). "He who refuses to pass through the door of my mercy must pass through the door of my justice." (Diary, 1146). Jesus told her, "I do not want to punish aching mankind, but **I desire to heal it**, pressing it to my Merciful Heart. I use punishment when they themselves force me to do so; my hand is reluctant to take hold of the sword of justice. Before the Day of Justice, I am sending the **Day of Mercy**". St Faustina wrote about her illumination experience: "**Suddenly I saw the complete condition of my soul as God sees it. I could clearly see all that is displeasing to God. I did not know that even the smallest transgressions will have to be accounted for.**"

During this Warning; there will be a universal short pause in time, cause by God, where we will all see that God exists, even non-believers, and we will see our soul as God sees it. Despite the many prophecies and messages given, the Catholic Church says and teaches little to nothing about it. When prophecy is involved, the church will always take the safest silent route, same as with Garabandal prophecy that the church knows about. We need to turn to Marian apparitions and the saints to know what the future holds, because God is very displeased with the increasing sins of man.

For the first time in over 1,000 years, the number of non-practicing worshipers outweigh the number of worshipping believers. With the continuous decline of the family unit, the church, the media, academia, and political leaders on both sides, moral integrity is headed over a cliff with no leadership group able to stop it. Only Divine Intervention from God himself will save us from evil. This was His very plan from the start, as the Bible states.

People are starting to realize that God will have to intervene, because most all of our leaders, from the left and the right, have become corrupt by "the world's ways". The question is always When? and how will it play out in the end? You could try to study all the saints and different apparitions to find out, but the dates are hidden from us on-purpose. We only have clues from what was specifically said to the saints and seers. What we do know from church approved apparitions, is that communism's errors will spread over the world and a chastisement will behold us if man does not turn from sin. Non-approved "pending" apparitions give us many more details about the timing and visions of these events. See [Info and Resources](#) for Garabandal's version.

According to Mary, communism will return and spread "communism's errors" (left anti_God government / marx-ism ideology) with military conflicts and Christian persecution. The "Illumination of Conscience" - Warning will come to stop the conflicts and possibly prevent WWII according to "pending approval" apparitions. The far-left may try to say the Warning was a solar/astronomical hallucination because the event may coincide with a natural (God made) supernova/solar flare event. God will send the "Great Miracle" a few months after to prove the "Warning" was from Him. The far-left will not all repent (according to the book of Revelation) even after the Miracle. Most have never known God and are too prideful to humble themselves to anyone. They won't give up their ego's, sin and lifestyles. Their goal of a new_wörl_d_ö_r_d_e_r/ö_n_e_w_ö_r_l_d religion will likely ramp up after the Warning and Miracle. Satan's minions will try to capitalize on the "return to God" sensation by imposing their ö_n_e_w_ö_r_l_d religion, that will oppose the life of Jesus Christ, according to the Bible, to try to deceive all religions with talk of "inclusiveness and equality". If too many people are deceived (believing the left's lies) and follow the ö_n_e_w_ö_r_l_d religion, a chastisement (sometimes described as the 3 days of darkness) will occur to purge the evil and the deceived.

Padre Pio, spoke privately to a fellow priest, Fr Amorth, in 1960 about the future emergence of a false Catholic Church (an infiltration/parasite of the true church). This fits the narrative laid out in the rest of this section about Jesus granting Satan 100 years of power.) [Search](#) 'Padre Pio false church Father Amorth' or see

Taylor Marshall's Podcast/Video on [Padre Pio - Third Secret - False Church - Great Apostasy](#).

Taylor Marshall's Podcast/Video on [The new One world Order Religion](#).

The chastisement severity can be reduced by the actions and prayers said by the faithful *now* and by recognizing and teaching others to recognize the lies and deceptions of evil people. **God will provide those in "a state of grace" the means and instructions to survive the chastisement.** After the chastisement, Heaven and Earth may be renewed and made fresh by God. A period of peace will come (The promised Triumph of the Immaculate Heart of Mary) and a return to simpler-easier times with no evil influences and all people living under God. So, evil (and the deceived) will be collected by Satan, consuming themselves as told in [Psalm 34: 21 \(in popup window\)](#), taking most of those **who have been deceived by lies** (praying for a deceived soul may save them). It will likely start with the invasion of Europe by Russia. The rest of this document explains why this is happening, how people can recognize deception and how to pray for chastisement mitigation.

The Bible tells us of the rise of evil, the Great Tribulation, the fall of the church, and the Book of Revelation. Jesus will defeat Satan after giving him his time to corrupt the world. Very few Catholics know that Jesus gave Satan the time and the power to try to destroy the Catholic Church (resulting in corruption at different levels). Pope Leo XIII, on October 13, 1884, during the end of the holy mass, was shown a vision of a [conversation between Jesus and the devil. \(ucatholic.com link\)](#) Satan asked for a 75-100 year time frame and more power over his followers to destroy the Church. Jesus allowed the request. Why did God give Satan this power? Answer: Unconditional love of the angels, to expose evil and to see who will stay true to Him. ([See next section.](#))

Pope Leo XIII immediately wrote the [long version "Prayer of St. Michael"](#) ([local prayer link](#)) for the protection of the church. The [short version](#) ([local prayer link](#)) was said at every mass after Holy Communion until it was removed by Vatican II around 1968. Why would the Vatican remove such a vital prayer that was part of the Vatican's own history? Likely, due to Satan's infiltration into the Church and Vatican II. Pope Paul VI publicly said in 1972, **"The smoke of Satan has entered the Church."** The start of the 100-year time frame is not exactly known, but most accounts point to Fatima's last apparition with "The Miracle Dance of the Sun" on October 13, 1917, 33 years (*Jesus's lifespan*) **to the day** after the Pope's vision. (*Remember that day of the month, 13.*)

The anti_God group responsible to carry out the devil's plans are the Freemasons who are known to have infiltrated the Catholic Church with 1000's of fake priests candidates over the last century to:

- Influence bishops and cardinals in Vatican II changes.
- Cause confusion in the faithful with conflicting teachings, doctrine and homilies.
- Corrupt and demoralize other priests with temptations, false information, lies and poor examples.
- Commit irreputable acts of mistreatment of boys and minors and other sexual offences against God.

The church covered up the bad priests and moved them to other parishes instead of admitting the problem, another sign of corruption at the higher levels. This is all known today, yet most of us still do not [pray for priests](#) ([local prayer link](#)) who are continuously attacked by Satan's demons. The church has asked us to pray for vocations to the priesthood but not specifically for the protection of priests from Satan's minions. This is why we need to pray for priests who are continuously tormented by the devil.

<https://catholicismpure.wordpress.com/2018/02/10/the-devil-and-the-priesthood/>

In 1917, Mason priests marched in the city of Rome with posters that said that Lucifer would control the Vatican in 2017. (See link below.) This coincides with the probable start date of the 100 year Satan time-line, from Pope Leo XIII's vision, starting with the Fatima Miracle Dance of the Sun on Oct 13.

<https://catholicismpure.wordpress.com/2017/04/18/when-did-the-100-year-reign-of-satan-begin/>

The 100 years of Satan's church corruption may have ended in 2017, but everything he needed to do was set in place by then. The corruption of the church, along with the media, academia, the family unit, most political leaders and the indoctrination of youth are now all on auto pilot. God gave Satan the time and the power, but He also gave us St. Faustina, Padre Pio, Lourdes, Fatima, Akita, plus others, during the same time. These give us clues, messages and instructions on how to live and pray to prevent the common apparition theme of chastisement. Now is the time to pray and Trust in the Mercy of God and Live the messages of Our Lady and Jesus.

Akita is a recent **Church Approved** apparition occurring from 1973 to 1981 to a deaf nun named sister Agnes in Akita Japan. When the church failed to reveal the full third secret of Fatima in 1960, Mary also appeared at Akita in 1973, after Garabandal. On October 13, 1973 (exactly 56 years after the last apparition of Fatima: same day of the year, both on Sunday and both with public witnessed Miracles) the Virgin talked about the corruption of the church from within (Part of the third secret) and the conditional chastisement. ***"As I told you, if men do not repent and better themselves, the Father will inflict a terrible punishment on all humanity.....The work of the devil will infiltrate even into the Church in such a way that one will see cardinals opposing cardinals, bishops against bishops. The priests who venerate me (Mary) will be scorned and opposed by their confreres...churches and altars sacked; the Church will be full of those who accept compromises and the demon will press many priests and consecrated souls to leave the service of the Lord."*** See [Akita message of Oct 13, 1973, pop-up](#), and EWTN source link below.

[A Message From Our Lady - Akita, Japan - EWTN](#)

Both Padre Pio and the Virgin said that the Church will have to go through a terrible trial (The Apostasy) before it could be resurrected with the Warning and Miracle. Expect the confusion

and controversy in the Vatican to get worse.

The "corruption of the church" has been ongoing since the 1940-50's and the conditional chastisement is dependent on man's reaction to the upcoming "Illumination of Conscience - Warning" and "Great Miracle". The Warning is the Last Act of God's Unfathomable Mercy, before the end of this era, because it will prove that God exists and show everyone their failings, so the world can change. This is likely to happen soon when things get a lot worse than they are now.

Why did God give Satan the power and time to corrupt the Church?

by: SimplicityHumilityTrust.org A personal entity-Catholic ownership site for God's Glory

(Right click with Edge to: Read aloud or Open in Immersive Reader to translate.)

Why did God give Satan the power and time to corrupt the Church?

(See previous section for Pope Leo XIII vision.)

At first this doesn't make any sense. This can't be true. Why would God give Satan any power?

God is pure Love, the greatest love in the universe. The highest and purest form of love is "unconditional" love, a love that is totally free to give as one chooses. God created a **hierarchy of Angels and Archangels** in Heaven before He created man. God gave the angels "freewill" to allow their love to be unconditional and holy. They can choose to love him or not. God's pure love pours out of Him like a fountain, and the angels choose to return the love back to Him unconditionally, pure and holy.

Because of “freewill”, the angel Lucifer had a prideful-jealous episode and decided he wanted to be a God to be worshiped. He started talking to the other angels about how they could be their own gods too (same as told to Eve in the garden). According to exorcist Fr. Ripperger, the fallen angles failed to commit to some sacrifice for God. They choose to fall rather than choosing to sacrifice. How many of us do the same? The difference between angels and us is we have the chance to correct our choice, where the fallen angles only had one chance. When Lucifer had recruited approximately 1/3 of the angels, he quit loving God and decided to only love himself. The lower angels followed suit. God sent St. Michael the Archangel to throw them out of Heaven. Lucifer has been deceiving souls ever since.

When Lucifer rejected God, he forfeited the holy bond between them and became evil. Lucifer also forfeited the love that God provides. Evil is the absence of God and love and this void is filled with hate and bitterness. We know that the fallen angels were led astray by Lucifer but angels have the full knowlege of God and they choose to be evil on their own, according to Exorcists who have asked them this. Because humans don't have the full knowlege of God, we can be easily decieved, but we are given many chances to repent through God's mercy. The fallen angles never got a second chance and lost God's Love forever. This is the ugly consequence of freewill and deception - the total loss of love and happiness. Without a commitment to God and Jesus Christ, there is no love or happiness beyond death. Knowing Jesus Christ is choosing everlasting love. Dismissing Christ is death and losing love for all eternity. The coming öne_wörld religion, will not teach salvation through Jesus Christ, only by a wondrous God and Messiah. This is how Satan will deceive even the "elect", by miraculous signs and promises of stability, harmony, fairness and inclusiveness (equality once again). Non-believers always deceive themselves, the saints that have been shown visions of hell have said that the vast majority of souls in hell where those who refused to believe that hell existed.

God created the earth and populated it with men and women to share His love in place of the fallen angels. He threw Lucifer and his minions into hell, deep in the center of the earth. Why didn't God just destroy or condemn them for eternity? God couldn't because the good angels would start to love him out of fear for their own souls, making their love “conditional” and un-pure. *God also needed to show the angels and the people of the earth, what evil truly looks like. Millions of people live today in sin without any motive to change. God has to unleash evil to wake people up to be able to change. In effect, unleashing and exposing evil is part of God's Mercy for many souls. Recognizing evil is the first step in redemption as shown by the first secret of Fatima. God allowed Satan's power to expose evil to possibly save millions of souls, but those souls first have to recognize it.*

The number of truly evil people in the world is small, e.g. Hitler, Stalin, Mao and others. They spread their hateful ideology and deception to hundreds of thousands of other souls through lies and propaganda (the media) that has ended in the death of millions of lives. *The takeaway from this page is that true evil exists in short numbers, but deception is a blinding cancer, spread mainly by a corrupt media. Millions of souls could fall from God in the end, because they listened to people who lie (even knowing that they lie) because the lies fit their "desires" and "feelings" and they were blind to the evil motives behind the lies. As a consequence, they will end up losing God and His love for all eternity as 1/3 of the angels did. The good news is that many of these souls can be saved by spreading this message of God's Mercy to help people recognize evil.*

God had a plan to deal with Lucifer, now called Satan, and his minions. His plan was to replace them with humble souls He created on earth (*men and women*). Souls that recognize evil and choose to lead good lives, over the temptations of the world, by loving thy neighbor while giving Glory to God. Satan tempts us all to sin. Sin is embedded in our human nature (*original sin*). Self-preservation leads to self-reliance which may lead to pride and self-absorbance (*no need for God*) especially in youth and the affluent. God doesn't save us for NOT sinning (*another Satan deception*). God saves us for how we REACT to our sin. The Bible is full of accounts of sinners who were saved, but never states that the sinners never sinned again. We are saved when we recognize that Jesus lived and died for our sins, we swallow our pride and repent our failings with humility and a sincere heart. Doing this repeatably, will reduce the number of times we sin.

The Bible says that evil will someday enslave the world and God will need to step in to save us. When? Likely when most people start ignoring God, when all propaganda (*media*) is opposite of God's teachings

and when leaders and governments are lured into corruption by pride, egotism and money. Our Lady of Fatima said when cömmunism (*Russia/China*) spreads her errors all over the world, God would intervene. cömmunism's return may be by force (*military*) or by economic, political anti_God ideology and control. Likely both.

God gave Satan the power to corrupt the church, to fulfill biblical prophecy, to expose evil and to test the faithful to see who will stay true to Him despite bad priests and confusing doctrine. God gave Satan the power during the 20th century, but also gave us the works and lives of the Saints and Marian apparitions during the same time period. In a world where money drives "everything"; Satan can easily corrupt "everything", *money is the root of all evil*. We need to pray for the pope, bishops and priests in spite of their failings. God is looking to see who will continue to pray and go to mass when the Vatican is clearly not what it should be.

Our prayers to God and our relationship with Christ do not go through the Vatican or the local priests. We interact with God one-on-one. The church failings do not prevent our personal relationship with Christ unless we allow it to. The power of the Sacraments are given directly to the local priests and bishops, not through the Cardinals or Vatican. We need the grace of the Eucharist and other sacraments now, more than ever, before religious persecution takes them away. The devil wants us to blame the fallible aspects of the church (freemason bad priests and church leaders who put "progressive ideas" ahead of "traditional holiness") and use it as an excuse to quit praying and going to mass. If we abandon or diminish our relationship with God because of the actions of fallible leadership, then the devil wins.

Satan's deceptions have claimed the loss of many human souls by the actions of the freewill and his influence over our feelings and desires. Decisions based on "*how we feel*" vs. "*what is right*" will allow Satan direct access to the process. This battle between our feelings and our upbringing is called our moral compass and each decision is a result of our compass direction. Decisions from the heart, where Christ resides, are more thought out while decisions from our feelings are more impulsive and highly susceptible to diabolic influence.

Evil's latest deception is a "deception of information & distraction" to make an informed decision. Nobody wants to be told what to do or how to act, so that leaves everyone with the requirement to do their own research before making decisions. But most don't want to do that either. With the lack of time to properly study a decision (evaluating the pros and cons of each side) due to distractions from entertainment, social media, games, apps and videos, most people end up getting their information from headlines and quick media sources that are biased either one way or the other. People are less likely to seek out opinions that contradict their own desires, therefore, the media can deceive massive amounts of people by only showing one side of the debate or phrasing headlines with "out of context" wording and selective statements. They know that most won't bother to look for any other counter perspectives. Do NOT assume headlines are truthful. The media profits from your interaction and they will bait you into clicking anyway they can. The media used to be trustworthy but everything changed in 2011.

Media bias was recognized in the 1940's and 50's and the Fairness Doctrine was enacted to: require licensed radio and television broadcasters to present fair and balanced coverage of controversial issues of interest to their communities, including by granting equal airtime to opposing positions. Later in the 1980's the cable and satellite television networks challenged the applicability of the doctrine to their industries. By 2011, under US democratic control (President Obama), ALL US requirements to ALL media sources, including local radio and news, had been completely removed by the FCC. Most would call this media manipulation for the benefit of one party. I call it evil advancement.

<https://www.britannica.com/topic/Fairness-Doctrine>

Many liberal thinking people believe in God and go to church. They are good, loving people, but their progressive thinking makes them more susceptible to deceitful tactics. Most liberal people are concerned with making the world better with more compassion and helping the oppressed, with a world where people of all races come together to solve the world's problems (Martin Luther King's dream). From the mid 80's through the 90's in the US, racism was being abolished. Look at all the songs of that era where different big name artist of different colors were singing together for world unity. The US was so open to unity and

healing racism that it elected a black president thinking that it would help unify the country, but instead it divided it.

Liberal ideas are beneficial in providing different points of view to problems that conservatives would never change on their own. This exchange of ideas and points of view are good in a society where the leader's priorities are working for the good of the country according to their oath of office. But when enough leaders (from both sides) become corrupt and start working for the good of themselves over the good of the country, then the devil and true evil can infiltrate them with greed, pride and money deals on the side. Most people still look at politics as conservative vs. liberal, old-school vs. new ideas, but when moral corruption takes over both sides, it becomes good vs. evil, unworkable and offensive to God.

"If a political party does not have its foundation in the determination to advance a cause that is right and that is moral, then it is not a political party; it is merely a conspiracy to seize power."
Dwight D. Eisenhower, speech delivered at the Fourth Annual Women's National Conference on 6 March 1956.

The tactics and policies of the Obama era resurrected racism from the past with repeated rhetoric of white cop on black crime, hate speech and slavery reparations, from a biased media that profited on racism coverage. What liberals were sold (by tactical language, misleading media coverage and over playing stories of racism, environmental change doomsday and humanitarian crisis) is that the world should be clean, fair, all-inclusive with equality on all levels regardless of work ethic and motivation. To do this you have to redistribute wealth and resources from those who work and have success to those who want "free stuff" and don't really want to work. Socialism is not a better system for the people, it's a better system for government that feeds off a growing population of "entitlement" hungry individuals, while creating division in the people that benefits government officials who are addicted to money, power and control for themselves with little regard to how it will affect society as a whole. Socialist policy isn't Godly and doesn't benefit a society overall, because it doesn't promote self-improvement, only economic stagnation, government dependency and greater homeless and crime problems. When society sees that socialism isn't the answer, liberal bureaucrat's last resort is a complete system failure and rebuild, a global reset. There is a good reason why the Virgin Mary warned us of the "Errors of Russia" at Fatima. This [list of the twelve characteristics \(pop-up box\)](#) of the Errors of Russia from ([catholicism.org](#)) is exactly what is advancing through the democratic system.

We know that evil deceives with lies. Lies and dishonesty have become normalized and accepted in politics and the media. Most people think lying is a valid way to get ahead in the world, and most do it without guilt. This is against God's ninth commandment and He won't let it continue much longer. Lying is a serious sin when it is used to purposefully deceive others and used to advance one's position over others who are honest. If someone accepts the lies of a political party because the narrative fits their own ideas & feelings and they don't look for the motive behind the narrative, because they don't want to know or hear it, they are being deceived by the evil lies.

Slowly over time, true evil has come up with very diabolical deception plans and tactics (e.g. the book "Rules _ for _ Radicals" by Sa ul Al in sky, dedicated to Lucifer himself and Hillary Clinton's college master's thesis subject). These tactics are used by other corrupt souls who are only in it for themselves and the money to deceive liberal voters with ideas that seem progressive and more fair, but are designed to create hate and division (polarization according to Al in sky) to achieve greater power and control. Division, hate and deception have always been the devil's primary tools.

To recognize evil in government, you have to look at the motive. If the motive is for the good of the country and the people they were hired to serve, then it is likely good. If the motive is self-serving for money (inside investing), power, control and votes, disguised as helping people (who are likely to vote for them) and by implementing taxes to fix an ever-changing environment, instead of sanctions against the greatest polluting countries, then it is evil. Why else would a government stop a border wall that was paid for, letting over 8 million migrants into a country with minimal vetting for criminals, terrorists, disease, vaccine requirements, drugs and human trafficking. Paying migrants taxpayer money for phones, housing, transportation and healthcare, and flying them to conservative states, in the middle of the night, where the

left needs votes, all in the name of humanity for Hatians fleeing what the left initially said was "tornados and climate change." The migrants didn't flee war and oppression, they were invited by liberal democrat policy. Liberal voters turn a blind eye toward these things because they think the party fits their humanitarian ideals and they don't believe evil is driving it. US democratic congress tried to add amnesty into the infrastructure bill, which failed to pass, proving their motives were not humanitarian.

To destroy a Christian nation, one has to remove God and the Ten Commandments from all schools and public places, corrupt the church to limit prayer, remove the history of Christianity and strong leaders, control the media, quit teaching patriotism, morals and compromise, flood the internet and entertainment industry with trashy click ads, filth and immoral content, indoctrinate the youth with hate/race/gender ideology, implement fear and control measures, enforce mandates, rig elections, pit groups of people against each other while creating economic suicide (debt and inflation) to let the country destroy itself, so they can pick up the pieces and rebuild it with their own full control. The US is now entering economic suicide with this administration. They don't care because they want it to fail, but they need a conservative up-rise (riots or even peaceful protests) to pin the blame on them.

There are only a few things that can stop or slow this deception. By exposing and recognizing evil and deception (sharing this page and others like it by e-mail), prayers said by the faithful, and the last step, divine intervention from God (The Warning and Miracle). If we wait for the last step, many countless souls will be lost due to our lack of praying and spreading God's Mercy during this time that evil is clearly being exposed.

Deception is easy to see if you are looking for it, but for those who don't want to think about it, or those who don't feel that finding the truth is important, it is almost invisible. Some examples:

- Evil causes hate and bitterness. Hating and attacking someone's moral character because you disagree. Hating someone with a different ideology because they stand in the way of your ideology, violates God's greatest commandment. *(It's ok to dislike or hate someone's policies, but they are exposed when they show true hate for a political adversary).*
- Racism is a form of hate. Evil advances hate by putting a racist spin on every possible story.
- The left claims racism is the problem, but strangely never tries to heal relations, build bridges or smooth things over. They stoke the fire making heroes out of felons to create more hate & division.
- Where are the government "unity" programs? The left and the media won't try to mend fences, promote unity or get people to come together, because they profit from hate, division and racism.
- Evil hates the "truth" because truth is God's language and lies and deception is the devil's.
- Evil labels truth as 'Conspiracy Theory' to try to shut down truth advancement.
- Evil will try to bury and hide the truth, deflect or change the subject to prevent people from discovering it and revealing their motives and hypocrisy.
- Evil will portray Bible teachings as myths or as outdated. *(A Bible teaching is always eternal)*
- Evil continuously changes the rules to suit them; laws and terminology. *(The definition of vaccine was recently changed from giving "immunity" to now only giving "protection" requiring repeated boosters.)*
- Evil wants to condemn what is "good" based on the failings of a few or single member with selective justification. *(The US Founding Fathers were bad because some of them owned slaves). Did Judus condemn the Resurrection? No, he was part of God's plan.*
- Evil accuses the good of doing what they are actually doing. *(Sa ul Al in sky rule of "Projection").*
- Evil lies and makes promises that can't be kept without taking from other groups.
- Evil appears to only vilify the rich but actually need the middle class money and taxes *(Söcialism).*
- Evil wants criminals out of jail to be able to vote without regard to the impact of the safety of communities. *(80-90% of criminals vote left).*
- Evil promises equality to lower groups, in exchange for votes and more power *(As Lucifer did).*
- Evil tries to eliminate gender because God created men and women different with separate roles.
- Evil never credits God, defends Christianity or promotes love of neighbor, unless it benefits them.
- Evil advances hate, division and fear for their control. *(Sa ul Al in sky rule of "Polarization").*

The vaccine "mandate" was a source of more division as most saw it as a violation of personal freedom. It is a "gateway" [compliance structure](#) ([endtime.com link how covid-19 could be a precursor to other biblical things.](#)) for future mandates (mark of the beast??): comply and obey or be terminated (classic cömmunism/marx-ism). The majority of holdouts are Christian conservatives. Why would the left want conservatives to stay alive and healthy? Because it is all about future control. Government employees are required to take the shot or be terminated. How better to purge the conservative employees from the US 14.2 million government workers to prevent any future whistle blowers. Taking the vaccine should be a choice, same as a flu shot. A federal mandate is an obvious fear, control and division tactic. They don't care about personal freedom because their control is opposite of your freedom. Their justification is saving lives

and preventing suffering, but God is in charge of when we die and how much we suffer in this life. Evil doesn't want us to suffer, for through suffering we grow closer to God. Certain groups were exempt from the mandate, creating even more unfair feelings and division. If the mandate takes two-three years to get to the Supreme Court, the left gets years of more division and control. They don't pay the court costs, the taxpayer does. This is "deep_state" deception.

US leaders owe China (cömmunism) 1.1 trillion dollars of foreign debt as of January 2021. They chose to borrow instead of raising taxes because taxes are unpopular with voters. Now they just print money to fund bills full of special interest (pork) payouts to their doners and lobbyists and other money to intice voters of certain groups. Inflation was always a deterrent to printing large sums of money, but when you are trying to make people more dependant on the government, and the media will cover your tracks, some financial suffering is worth it and lets them come in later to claim they have fixed it when they actually caused it. Politicians are more worried about themselves and their jobs (greed, prideful and self-serving) then they are about the people (country, neighbor, God-serving). Why don't you ever see rich politicians retiring? Because they are addicted to power and the "inside information" they have to make lucrative market investments. I'm not saying politicians are evil, but many Democrat and Republican leaders are severely corrupt because their desires (money and power) are not in line with God's commandments.

Democratic leaders are controlled by the far~left that are against capitalism and the Judeo-Christian based system of the US government. The godless left want to eliminate Jesus Christ based religion and create a new_wörl_d_örder/öne_wörl_d religion. To do this they have to first control, dismantle and destroy the US Christian based government by their own harmful policies and then rebuild it with their own laws and rules without current freedoms. They want riots and unrest from conservative/christian groups so they can blame them for the economic collapse that they are creating with hate/division tactics, excessive spending, "free" handouts and mass immi-gration.

Cömmunism 's errors (anti_God attitudes with self-serving interests) have already infiltrated the family unit, academia, the media, the entertainment industry, the internet and most political leaders with the intent to create self-centered attitudes, hate and division between different classes of people. They promote evil and anything that is NOT of God.

[Satan's greatest deception, his human sacrifice: \(in popup window\)](#)

From the time of Pope Leo XIII vision, the Saints and Marian apparitions have warned us of a pending, sometimes conditional, chastisement if man does not mend his ways. The most famous apparition was in Fatima, Portugal in 1917, that ended with the Miracle Dance of the Sun, witnessed by 70,000. There were 3 messages (*secrets*) of Fatima.

1. The existence of hell and Satan (evil).
2. The request for the Concentration of Russia to the Immaculate Heart of Mary. Prayers for the Reparation of sinners to the Immaculate Heart of Mary.
3. Portugal will always hold the dogma of the faith.[The last half of the third secret not fully disclosed by the church].

According to the website Fatima.org, the [second half] of the third secret, or parts of it, was revealed by the Virgin Mary at Garabandal (not approved, yet) and matches the message from Akita (Church Approved), ([see section above](#)) and was verified by Vatican Exorcist Father Malachi Martin. Father Malachi Martin read the actual third secret himself according to Fatima.org. See ([Third Secret](#)) *pop-up*, or last two paragraphs of link below.

During the 60's the chastisement was "conditional" to man's sins. Due to worsening sins, the chastisement is no longer preventable, but prayers, good works and mankind's reaction to the Miracle will still lessen the chastisement. What chastisement prevention/mitigation prayers has God given us in history?

The greatest document of God's Mercy is: "Divine Mercy in My Soul" by St. Faustina Kowalska. Her diary gives us many clues. St. Faustina alone prevented the destruction of the most beautiful city in Poland by uniting herself in prayer to the sacrifice of Jesus during the entire mass for SEVEN (7) straight days ([Diary, 39](#)) [pop-up](#). This was before Jesus taught her the Chaplet.

Later, she held off the wrath of God again, by saying the words of the Divine Mercy Chaplet ONCE, for the very first time, at the throne of God, **after God had already sent the Angel to destroy the City.** (Diary, 474-476). What does that tell us about this prayer?

The following day, Friday, September 13, 1935.

474 In the evening, when I was in my cell, I saw an Angel, the executor of divine wrath. He was clothed in a dazzling robe, his face gloriously bright, a cloud beneath his feet. From the cloud, bolts of thunder and flashes of lightning were springing into his hands; and from his hand they were going forth, and only then were they striking the earth. When I saw this sign of divine wrath which was about to strike the earth, and in particular a certain place, which for good reasons I cannot name, I began to implore the Angel to hold off for a few moments, and the world would do penance. But my plea was a mere nothing in the face of the divine anger. Just then I saw the Most Holy Trinity. The greatness of Its majesty pierced me deeply, and I did not dare to repeat my entreaties. At that very moment I felt in my soul the power of Jesus' grace, which dwells in my soul. When I became conscious of this grace, I was instantly snatched up before the Throne of God. Oh, how great is our Lord and God and how incomprehensible His holiness! I will make no attempt to describe this greatness, because before long we shall all see Him as He is. I found myself pleading with God for the world with words heard interiorly.

As I was praying in this manner, I saw the Angel's helplessness: he could not carry out the just punishment which was rightly due for sins. Never before had I prayed with such inner power as I did then.

475 The words with which I entreated God are these: **Eternal Father, I offer You the Body and Blood, Soul and Divinity of Your dearly beloved Son, Our Lord Jesus Christ for our sins and those of the whole world; for the sake of His sorrowful Passion, have mercy on us.**

476 The next morning, when I entered chapel, I heard these words interiorly: **Every time you enter the chapel, immediately recite the prayer which I taught you yesterday.** When I had said the prayer, in my soul I heard these words: **This prayer will serve to appease My wrath. You will recite it for nine days, on the beads of the rosary, in the following manner: First of all, you will say one OUR FATHER and HAIL MARY and the I BELIEVE IN GOD. Then on the OUR FATHER beads you will say the following words: "Eternal Father, I offer You the Body and Blood, Soul and Divinity of Your dearly beloved Son, Our Lord Jesus Christ, in atonement for our sins and those of the whole world." On the HAIL MARY beads you will say the following words: "For the sake of His sorrowful Passion have mercy on us and on the whole world." In conclusion, three times you will recite these words: "Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and on the whole world."** [100]

Many times after, Jesus told her, "Through [this chaplet \(local prayer link\)](#) you will obtain everything, if what you ask for is compatible with my will" ([Diary, 1128 & 1731](#)) [pop-up](#). Let all mankind recognize My unfathomable mercy, it is a sign for the end-times ([Diary, 848](#)) [pop-up](#). Why was this written in her diary? Don't you think that Jesus had it recorded for humanity to "possibly" use in the future? Can the prayers Jesus gave to St. Faustina be a chastisement prevention method for the end-times, along with the Rosary, good lives, penance and sacrifices requested by Mary? St. Faustina's mission continues after her death, her mission and message were for the "END TIMES". If one sister alone can save an entire city, what can 1,000's of advocates of the Virgin saying [The Chaplet](#) and [The Holy Rosary](#), (with chastisement mitigation intentions) in union with masses said throughout the world, with all the saints in the Celestial Court in

Heaven, do to help lessen the future chastisement. How much would that please The Father, Jesus and Mary? Using the prayers that Jesus Himself gave us.

The [Divine Mercy Chaplet and Novena](#) are what I call double edged prayers. The promises given to us by Jesus work on both sides. The one promise of *"Through this Chaplet, you will obtain everything, if it is compatible with my will"* is for a positive reaction to the Warning and Miracle. The other promise of *"This chaplet appeases the wrath of God"* implies that even if man's reaction is not positive enough, God may still spare us through the proper and timely prayers said by the faithful. Any way you look at it, the faithful is left with the possible opportunity to improve the future of the world.

We need to take advantage of the prayers given to us **by Jesus Himself**. Using prayers with **specific-targeted prayer intentions** worded to **multiply graces and enhance effectiveness** to help prevent or lessen any chastisement by God.

JESUS I TRUST IN YOU

What can we do to minimize the Chastisement ?

by: [SimplicityHumilityTrust.org](#) A personal entity-Catholic ownership site for God's Glory

(Right click with Edge to: Read aloud or Open in Immersive Reader to translate.)

What can we Christians/Catholics do?

Answer: What God wants of us: prayer, sacrifice and leading good lives.
(setting a good example for others)

Sacrifice/Penance does not have to be hard. God never put a minimum requirement on it. How much you do is up to you. Start with the [Morning Offering of Reparation](#) and go from there. Let your daily trials do it for you. Then work up to other practices. Sacrifice time spent on social media, listening to music or watching shows, replace with some form of prayer or good works.

Prayers are more effective with the aid of thousands of saints and souls,

The church isn't going to lead us, until perhaps after the Miracle.
Mary didn't appear to the church leaders. She appeared to the children "in the world".
We are all waiting for the warning, but are we doing the most we can with the privileged knowledge the Virgin has shown us?

What are the best prayers to prevent/mitigate a Chastisement?

Prayers given to us by Jesus, Mary and the Saints:
(The prayers below, have the intention wording to help amplify results)

Intentions needed:

- Prayers for the Pope, Bishops and Priests. (To help make to good ones better and the bad ones to repent)
- Before 2022. For the solemn and public Consecration of Russia (by the Pope) to the Immaculate Heart of Mary in union with the Catholic Bishops of the world. According to Our Lady of Mount Carmel. The Pope will Concentrate Russia, but it will be late and Russia will NOT be CONVERTED until the Great Miracle (The Consecration was done in 2022, but the Conversion is yet to come). Now we can pray for the genuine readiness and positive reaction to the coming "Illumination of Conscience" and Great Miracle.
So don't stop praying. Prayers for the Pope, and other clergy conversions, are needed and will likely factor into mitigating the Chastisement.

Chastisement Mitigation Prayers:

- Ask for wisdom. (Always granted. Just repeat: Spirit, give me wisdom.)
- [The Divine Mercy Image](#) (The easiest of graces when viewed with respect. [pop-up](#)
Let Him melt your heart with the compassionate look in His Eyes.)
- [The Divine Mercy Chaplet](#) (Through this Chaplet you will obtain everything. Spare the wrath of the Father for the world or a passing loved one.) [See all promises.](#)
- The Fatima [Morning Offering of Reparation](#) (Automatic sacrifice and graces for any hardships throughout the day.) [pop-up](#)
- The [St. Michael Prayer](#). (Ultimate Protection.) [pop-up](#)
- The [St. Joseph Protection Prayer](#). (Protection from a sudden death) [pop-up](#)
- Protection [Prayers for Priests](#) (They need protection also) [pop-up](#)
- The most powerful: [Interactive Holy Rosary](#) (with easy mystery meditation.)
- [The Divine Mercy Novena](#). (Holy week. Promise of total absolution of sins **and** time in purgatory.)

By the prayers and actions of the faithful, for the reparation of past sins, prayers for priests, Divine Mercy, The Holy Rosary, and the spreading of these messages to others, the chastisement has a far greater chance of being lessened.

How important is praying for, and spreading God's Mercy? You may have heard of the book of life that God keeps for those who have a place in Heaven. God also keeps a **book of mercy advocates, written in blood**, of those who have glorified His Mercy. ([Diary, 689.](#)) [pop-up](#). St Faustina was also given a great privilege, telling her to "**distribute graces as you will, to whom you will and when you will.**" ([Diary, 31.](#)) [pop-up](#). Another promise of spreading God's Mercy. "**Souls who spread the honor of My mercy I shield through their entire lives as a tender mother her infant, and at the hour of death I will not be a Judge for them, but the Merciful Savior.**" ([Diary, 1075.](#)) [pop-up](#). Are you going to help St. Faustina spread His Mercy by sharing? Don't let the devil deprive you of these promised graces.

Most people think one person praying doesn't do that much (another deception). By using methods given to us by Jesus, Mary and the saints, we can make our prayers multiply by 1,000, 10,000 or even 100,000 times.

Choose your Prayer Multipliers:

- When 2 or more are gathered my name. (Pray together.)
- In union with the Holy Sacrifice of the Mass throughout the world. (Very, very powerful.)
- To the Sacred Heart of Jesus and the Immaculate Heart of Mary. (Divine Intercessor power.)
- In virtue of His sorrowful passion. (Glorious power.)
- For Reparations against the Immaculate Heart of Mary. (Fatima power.)
- For the intercession of St. Faustina to complete her end times mission. (Mercy fulfilled.)
- With return intercession of the souls in purgatory, when we pray for them. (possibly hundreds of thousands). (These souls have nothing to do but pray, but they can only pray if we ask and God allows it. Pray for them, so God may allow them to pray for the world.)
- If you devoutly say the Rosary, the intercession of the **full Celestial Court of saints** in Heaven. (Rosary promise.)

Prayer boosters. When you pray, God reads your heart, not your words. The correct words are far less important than the "motive/humility" of your heart. (The devil wants you to think that word mistakes or prayer count invalidates a prayer). Only pride can invalidate a prayer. Always pray with humility and "The Greater Glory of God" attitude.

Prayer Enhancers:

- Always pray from the heart. (The devil can mess with your mind, but not your heart.)
- Eliminate distractions: (I Rebuke the devil in the Name of Jesus, before and during prayer.)
- Give thanks for His blessings before: (Thank you Lord Jesus for all your gifts.)
- Humility and meekness. (I am not worthy; I am not worthy. I am only dust.)

- For the Greater Glory of God - attitude. (*He created all, He deserves the credit.*)
- If your mind wanders during a group or recorded Rosary, say "For the Greater Glory of God" to yourself 2-3 times during the first half of the Hail Mary. Alternative: say the name of the mystery 2-3 times.

With these tips and intentions, a single prayerful person, can do the **same good as hundreds or even thousands of people** saying standard prayers. The person becomes the ultimate prayer warrior and a personal advocate to the Virgin to help crush the head of Satan. Did I mention the extra graces from the Holy Spirit, to enrich your current life and ignite your spiritual brightness for the next life?

What else can we do now to lessen the chastisement?

The far_left will hold on to their agenda. Their souls are already sold to the devil and they can't turn back anymore. They will still deceive many miss-informed people with lies and hate-division tactics. They will say the warning was a solar, asteroid, super-nova phenomenon or a medical side effect (possibly from a vaccine) that caused mass hallucinations. This is why God is sending the Miracle too, as proof the Warning was from God. We have to recognize evil and question the motives of all in power, even as low as our local school board council members. Are their motives God-serving (*for the good of all people, not just a specific group*) or self-serving (*good for only a specific group, and better yet for themselves with kickbacks and more power*)? The far_left is purely self-serving and hates everything God stands for.

We have to teach the benefits of compromise. Today's society has nearly erased the idea of any compromise for the betterment of society. Even the good struggle with compromise when everyone is so self-indulged. Compromise is self-sacrifice. There is no act more pleasing to God than self-sacrifice. If our schools taught the social, loving and spiritual benefits of compromise for community, family, marriage, spirituality, lower crime, world peace and love of neighbor, instead of critical race and gender-neutral ideology, the world would be worth saving in God's eyes. If not, God will chastise us all in my humble opinion.

The good elementary, middle and high school teachers need to start NOW working on how to inject/teach the benefits of compromise to students. Marriage counselors and psychologists are well aware of these benefits and their expertise should be consulted to develop ideas even before the warning. The left will shoot it down because it does not create the division they need. It mends families and communities God's way. I think compromise assignments should eventually be parent/child collaborative study to get all generations back up to God's speed.
